ACADEMIC REPUTATION

Accreditation and Recognition

- UNI is accredited by the North Central Association of Colleges and Schools.
- Many of UNI’s academic programs have earned recognition by their field’s accrediting body.

Classroom Environment

- With an average class size of 23 students, faculty members take time to help you and give personal attention.
- More than 99% of classes are taught by faculty, not graduate assistants.
- More than 84% of UNI professors have the highest degree in their field, ensuring you’ll learn from leaders and experts.
- You have the flexibility to personalize your program of study by combining majors, minors and certificates.

Learning Outside of Class

From the minute you arrive on campus, you’ll have opportunities to gain life and career-related experiences that will prepare you for success in graduate school or your career. These experiences include:

- Academic clubs and honor societies
- Social and service organizations
- Internships
- Research opportunities
- Clinical and field experiences
- Studying abroad
- Study abroad

Academic Support Services

UNI offers free support services to inspire, challenge and empower you to achieve academic success:

- A Writing Center
- Tutoring
- Learning Strategy Classes
- A Math Center
“UNI professors are extremely helpful and willing to go to any extent to help you out. People are super friendly and always open to learning more about different cultures.”

Success After You Graduate
Why are UNI graduates successful when they graduate? Because they have the tools needed to succeed in the ever-changing world. With more than 75 percent of UNI students participating in experiential education — internships, research, study abroad and more — our graduates have the hands-on experiences needed to be valuable employees from day one. It’s also why more than 750 employers routinely recruit our alumni.

Our graduates work at outstanding companies throughout the world, including:

- Allstate Insurance
- Deere & Company
- Ernst & Young
- Hongkong and Shanghai Banking Cooperation
- Pioneer Hi-Bred
- Principal Financial Group
- Rockwell Collins
- Saudi Aramco
- Wheaton Franciscan Healthcare

UNI alumni have a strong impact on the world in nearly every field and profession. Some of our distinctive alumni include:

**Nancy Aossey**, ’82/’84, is president and CEO of International Medical Corps (IMC), a $100 million disaster relief organization.

**Charles Grassley**, ’55/’56, has been a U.S. senator from Iowa since 1981.

CAMPUS LIFE

Life on Campus
- UNI has more than 300 student clubs and organizations for you to get involved in.
- A variety of campus social activities, including festivals, shows, concerts and ethnic-themed events, are available throughout the year.
- GO PANTHERS! Join your fellow students and cheer UNI’s 17 men’s and women’s athletic teams that compete at the Division I level in the National Collegiate Athletic Association (NCAA).

International Student Support
Each year, international students just like you come from all over the world to UNI to study, teach and conduct research. No matter your interests or needs, UNI will provide you with the support and programs to help you succeed.
- Our International Students and Scholars Office helps you transition to college life through an orientation and registration program, personal advising, and a variety of education, social and cultural activities.
- UNI’s International Friendship Program can pair you with a family in the community to help you learn more about the American way of life and improve your English skills.
- The International Student Association (ISA), a club that holds numerous social events throughout the year, will help you meet and learn from other students, share cultural experiences, and have fun!
The more than 244,000 square foot Wellness and Recreation Center (WRC), offers a rock wall, leisure pool area with a hot tub and waterslide, and several weight rooms, and fitness studios. PLUS several other fitness area locations across campus.

The size of the UNI campus is perfect, it feels like a small community. UNI faculty and staff are very welcoming, and if you ever need help with anything, all you have to do is ask. There is help at every corner.”

CAMPUS LIFE

The Community

- Cedar Falls is a welcoming community in the heartland of the United States.
- Situated on the banks of the Cedar River in northeast Iowa, the Cedar Falls-Waterloo metropolitan area has a population of more than 160,000 and provides the benefits of urban life in a safe, small-city setting.
- The Waterloo Regional Airport provides daily round-trip service to Chicago for connecting flights to more than 700 cities worldwide.
- Large Midwestern cities, such as Chicago, Kansas City, Minneapolis, St. Louis and Des Moines, are within a few hours drive of Cedar Falls.
- Restaurants with different ethnic cuisines and an international market are close to campus.

CAMPUS HOUSING

- On-campus housing options include traditional residence halls, apartment complexes and special housing for graduate students, non-traditional students, and students with dependents.
- Living Learning Communities are available to live among students with shared academic majors, interests or classifications.
College of Business Administration (UNI Business) | business.uni.edu

UNI Business is accredited by the Association to Advance Collegiate Schools of Business (AACSB International), the gold standard of business school accreditation and a distinction earned by fewer than 5% of schools worldwide.

Named one of The Princeton Review’s Best Business Schools for eight consecutive years.

Accounting students who completed their bachelor’s and master’s degrees at UNI achieved a 100% first-attempt pass rate on the Certified Public Accountant (CPA) exam – a rate higher than the national level.

College of Education (COE) | uni.edu/coe

COE students have numerous opportunities for student teaching and field experiences in a wide variety of settings, including rural, urban and international schools.

The annual UNI Overseas Recruiting Fair is the oldest and largest international recruiting fair in the U.S. and attracts domestic and international employers. In 2013, nearly 990 teaching and administrative vacancies were available.

The college’s student-to-faculty ratio is 13:1.

College of Humanities, Arts and Sciences (CHAS) | uni.edu/chas

CHAS is known for high placement rates in graduate schools, medical and professional schools, and the private sector.

Undergraduate science research is readily available and often leads to opportunities to be named co-author of a paper or co-inventor on a patent.

The college is home to the North American Review, the oldest literary magazine in the U.S. Students participate in more than 100 cooperative education experiences and internships per year in the industrial, health, environmental science, entertainment, arts and government sectors.

College of Social and Behavioral Sciences (CSBS) | csbs.uni.edu

CSBS students present original research, exchange ideas and learn more about their areas of study during the annual Student Research Conference, which brings Midwestern graduate and undergraduate students to campus.

Political science and political communication majors benefit from Iowa’s first-in-the-nation status to select presidential candidates to send to the party’s national convention.
Our **Culture and Intensive English Program (CIEP)** will prepare you for academic studies at UNI. With experienced instructors teaching small classes, you will receive the assistance you need to achieve your big dreams.

Each session provides 20 classroom hours per week of English language study and cultural orientation. You can also receive assistance with laboratory work, out-of-classroom activities and special events. Courses include:

- Listening and speaking
- Reading comprehension and vocabulary expansion
- Writing/grammar

### How to Apply for CIEP

For more detailed information, please reference www.uni.edu/intladm/graduate/majors.
ADMISSION REQUIREMENTS

Application Process
Take the first step and join the University of Northern Iowa family. To apply to UNI, you will need to do the following:
1. Go to uni.edu/intladm and fill out the application for admission.
2. Pay $50 (undergraduate) or $75 (graduate) application fee.
3. Submit educational transcripts.
   - Unofficial documents can be submitted at the time of application. However, all official school transcripts—bearing the seal and signature of a school registrar—must be mailed directly from the institution to UNI before enrollment.
   - All transcripts in a language other than English must be accompanied by an English translation.
4. All applicants who are not native speakers of English must submit proof of English proficiency.
   - TOEFL—(Internet based) 79
   - IELTS—6.0 for undergraduate and 6.5 graduate students
   - SAT—460 (critical reading) - for undergraduates only
   - Conditional admission may be considered for undergraduate students. You will be tested upon arrival to campus and will be required to enroll in intensive English courses as necessary.
5. Some graduate programs require higher TOEFL or IELTS scores than those mentioned above, other test scores, and supporting documents depending on the major for which they are applying. Check your specific program online at uni.edu/intladm/graduate/majors.
